Case No. C- 08-0343 MMC (MED)

Action Filed: January 17, 2008

**STIPULATED REQUEST FOR
CONTINUANCE OF CASE
MANAGEMENT CONFERENCE
PURSUANT TO CIVIL L.R. 6-2
AND [PROPOSED] ORDER**

Pursuant to Civil Local Rules 6-2, plaintiff Technology Licensing Company, Inc. ("TLC") and defendant Sears, Roebuck & Co. ("Sears") jointly submit Stipulated Request and Proposed Order and request the Court continue the Case Management Conference in this case.

STIPULATED REQUEST

The Initial Case Management Conference is currently set for June 20, 2008 at 10:30 AM.

Plaintiff and a Third Party have signed a Conditional Settlement Agreement which requires a number of periodic payments be made to Plaintiff. After Plaintiff receives the final payment on or before September 2, 2008, the terms of the Conditional Settlement Agreement will be satisfied, and this lawsuit will subsequently be dismissed.

The parties have agreed that a cost-effective approach to this law suit is to seek a continuance of the initial Case Management Conference to September 19, 2008 at 10:30 A.M., or to whatever date and time thereafter as set by the Court.

Although this is the second request for a time modification of the Initial Case Management in this matter, this is the first request since the Conditional Settlement Agreement was entered into, and the fulfillment by the Third Party of its obligations under that agreement will obviate the need to further prosecute this case.

The present requested time modification would have no material effect on the schedule for this case.

Accordingly, it is hereby stipulated and agreed that the Initial Case Management Conference in this matter by continued to September 19, 2008 at 10:30 AM, or to whatever date and time thereafter as set by the Court.
